

# Bianca D'Arc Debuts Two New Futuristic Series in 2007

## Hara's Legacy

Book One of the Resonance Mates series

The first in a series of stories set on a future Earth. The survivors of humanity must teach the Earth's new inhabitants what it means to be human, and to love...

Also look for

Book 2 - Davin's Quest

Book 3 - Jaci's Experiment

Book 4 - Grady's Awakening

Book 5 - Harry's Sacrifice

Releasing in 2007-2008

## King of Swords

The beginning of the Arcana series in the Fortune's Fool anthology

Old soldiers never die, they just retire to frighten civilians and continue their operations, this time in the shadows. Such is the plight of a group of ex-soldiers, bred for combat on the rim of the galaxy. They don't know anything but conflict and vigilance. Retirement for them means immersion into a society that doesn't understand them, but each will find a special woman who can give them back the humanity that constant war has nearly obliterated.

## Bianca's Fantasy & Paranormal Series Continue

New installments in the very popular and award-winning Dragon Knights series are scheduled for release in 2007, as well as more Vampire Tales and Tales of the Were.
